

GWP Conductive (Wootton Bassett)

Reference COND001 - Commercial Supervisor

We are looking for an enthusiastic individual with a clear understanding of the measure of success in a medium sized enterprise. A good communicator, both written and orally. An individual able to inspire and encourage others through their behaviour and proven success. You will possess commercial acumen borne out through previous experience and proven success. A full clean driving license is desirable but not essential.

- To fully understand our customers requirements, to provide detailed quotations to them and secure their orders. To manage existing customer relationships and nurture new prospects.
- Generate profitable sales for the company.
- Ensure a very high level of customer service.
- To motivate and develop your staff to realise their full potential.
- To create imaginative solutions and products to expand the business opportunities for the company
- To provide concise and timely sales information for management reporting.

To apply please complete the application form and recruitment monitoring form quoting the above reference and mark for the attention of:

Barbara Wilkinson, Personnel Department, GWP Group, Unit 20 Chelworth Park, Cricklade, Wiltshire, SN6 6HE
