

Protective Cases

UK's leading manufacturer of protective case solutions and engineered foam inserts

Product Data Sheets: EXOcase

EXOcase, meeting the rigorous demands of today's world

GWP Protective's expertise in the design and manufacture of foam inserts allows us to customise a range of presentation cases to your exact needs. Contact us to discuss your application and we can supply the right case along with custom foam inserts to protect your products.

Following its recent launch, GWP are now official UK EXOcase distributors. EXOcase is a totally new generation of flight case. It combines the dimensional flexibility of a traditional flight case with the durability and water-resistance of a moulded case. Plus it has a unique exoskeletal design to ensure maximum impact protection for high value, fragile equipment.
