UK's leading manufacturer of protective case solutions and engineered foam inserts

Product Data Sheets: SSI Schaefer EF Containers

SSI Schaefer EF Series, top quality reusable packaging

GWP Protective's expertise in the design and manufacture of foam inserts allows us to customise a range of presentation cases to your exact needs. Contact us to discuss your application and we can supply the right case along with custom foam inserts to protect your products.

Efficient supply, storage and distribution are guaranteed by using the extensive EF series by SSI Schaefer.

They come in 25 different sizes and 150 types. Sturdy stacking rims ensure that the containers can be securely stacked with a stacking load of up to 600kg, independent of the area of use.
